

# Quick User Guide to Navigation

## Cyberlab Phonics A to Z

Recurso multimedia y pedagógico que orienta y enriquece la implementación del nuevo Currículo de Inglés. Incluye videos, y recursos visuales y auditivos para desarrollar la producción fonológica de los sonidos consonantes y vocales del inglés.

## Desktop /Tablets/Laptops

The screenshot shows the application interface for desktop, tablets, and laptops. On the left is a vertical main menu with letters A through I. The letter 'A' is highlighted in blue. At the top, there's a navigation bar with letters A through Z. Below the menu, there's a search bar and a list of phonetic pairs: \*A /eɪ/ as in plane, \*A /ə/ as in ball. The central part of the screen displays a video player showing a red ant and a mouth. The video controls include a play/pause button, a progress bar at 00:04, a volume icon, and a full-screen icon. Below the video are buttons for 'Full screen', 'Volumen control', '< PREV', and 'NEXT >'. Arrows on the right point to the 'Full screen' button, the 'Volumen control' button, and the 'PREV' and 'NEXT' buttons.

Two smaller screenshots show the application on a tablet and a smartphone. Both devices display the same main menu on the left and a phonetic pair on the right. The tablet screen shows a video player with a play/pause button, a progress bar at 00:00, and a volume icon. The smartphone screen shows a list of words starting with 'Cc' and a phonetic note: \*Soft C /s/ as in city cent scene. Arrows on the right point to the 'PREV' and 'NEXT' buttons on both screens.
